LanguaMetrics™

Dear Sir / Madam,

It is our pleasure to extend an invitation to you to partner with LanguaBooks Ukraine. The partnership relationship allows us to provide exciting content to your English Language Learners in the form of LanguaBooks™. LanguaBooks™ are being used the world over to accelerate students' ability to speak and be understood.

We have a common interest in accelerating the learning process and improving the English language ability throughout Ukraine. Partnering is the key to success. You bring to the table a great knowledge of your learners and you understand their current levels and what they need to improve. We provide engaging content in a format never before possible – a book that actually listens to the student! The book listens and not only provides native speaker modeled speech but provides engaging visual feedback to accelerate learning. The student can actually SEE how their speaking ability can be improved.

We are very excited to begin this relationship. Feel free to share this letter throughout your organization and contact us today!

Kind Regards,
